1. The purchase orders must be confirmed in writing by the Vendor within 5 (five) days from the issue date. For all Vendors registered on zLabels Supply Chain platform (OSCA/Setlog), the confirmation must be instead provided directly on the OSCA portal and will have equal validity.
2. The purchase order does not require a signature from the Buyer to be considered as a valid document. Incoterms apply as per the latest definition provided.
3. The Vendor herewith confirms that all goods produced and sold to zLabels GmbH comply with the requirements included in the latest published version of the zLabels General Instructions.
4. The zLabels General Instructions are always available on OSCA VCM platform.
5. Acceptance of the purchase order includes observance of the currently valid version of the zLabels Restricted Substance List ("RSL"). The validity of the purchase order is strictly bound to the disclosure of the production site(s) prior to order confirmation.
6. SKUs that will be subject to quality inspection at source will be specified via OSCA or separately via email, upon issue of purchase orders. Please note that we reserve the possibility to inspect the goods upon arrival at zLabels warehouse.
